Independent Auditor's Report

To The Shareholder Taylor Capital Management Inc

We have audited the accompanying statement of financial condition of Taylor Capital Management Inc., as of December 31, 2004 and the related statements of income, changes in stockholders equity, cash flows, and changes in liabilities subordinated to claims and general creditors for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating, the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Taylor Capital Management Inc. as of December 31, 2004, and the results of operations and its cash flows for the year then ended in conformity with generally accepted accounting principles of the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the Supplemental Schedules I, II, III, and IV is presented for the purposes of additional analysis and is not required for a fair presentation of the financial statements, but is supplementary information required by rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
